

Firmware Update

G-M202-AC-10G RTL9210B

The firmware update is only suitable for the following model : G-M202-AC-10G

Step as follows.

1. Connect the enclosure with the SSD built-in to the PC.
2. Open file\MPTools For RTL9210B\ UTHSB_MPtool_Lite_v1.12.1.423\ UTHSB_MPtool_Lite.exe
3. Check if the update tool has detected the enclosure and displays it on screen

The update tool is already set correctly, do not change the settings.

4. Click Update Device button.
5. After the update tool displays “Pass” message, safely remove the enclosure via “Safely Remove hardware and Eject Media” menu.
6. Disconnect the USB cable from the PC.
7. Connect the enclosure to the PC again
